NOVEMBER NEWSLETTER

PRINCIPAL'S MESSAGE

Dear UAP Families,

Assalam Alykum Wa Rahmatu Allah Wa Barakatuh,

November has been a busy and rewarding month here at the Universal Academy of Pittsburgh. Together, we've celebrated growth, spirit, and community through a range of enriching activities. I'd like to take a moment to reflect on the incredible contributions of our students, the support of our parents, and the dedication of our staff.

Our recent Parent-Teacher Conference on November 1st was a wonderful opportunity to connect with families and discuss each student's progress and achievements. We're grateful to all the parents who took the time to meet with us, strengthening the bridge between home and school. It's this teamwork that truly supports each child's journey to success.

We've also had a fantastic series of Spirit Days this month in recognition of students' good behavior and hard work. It was heartwarming to see our students express their school pride with such enthusiasm, showcasing creativity and team spirit. These events remind us of the joy and camaraderie that define our school community.

In addition, our school held a No-Bullying Awareness Campaign, where students had the opportunity to design logos and posters that reflect their commitment to creating a safe school environment where everyone is respected, appreciated, and valued. Through age-appropriate activities and discussions, we emphasized the importance of kindness, respect, and standing up against bullying. Our students showed a remarkable understanding of what it means to create an inclusive space for everyone."

Finally, a big thank you to our students for their hard work and positive contributions throughout the month. Your efforts, kindness, and dedication inspire us every day, and we are proud of the positive impact you're making in our school community.

Thank you for your continued support and involvement in our school's mission. Let's keep this momentum going as we move into the rest of the school year!

Wa Assalam Alykum Wa Rahmatu Allah Wa Barakatuh

No Bullying Campaign

The No Bullying Campaign launched at our school aims to promote respect, kindness, and positive communication among students, reflecting the core values of Islamic teachings. Through engaging activities, including creating posters and logos, students are encouraged to understand the impact of their words and actions on others. The campaign highlights the importance of fostering a safe and supportive environment where everyone feels valued and respected. By learning to resolve conflicts peacefully and showing empathy, students are reminded of the Prophet Muhammad's (peace be upon him) guidance to treat others as they wish to be treated. This initiative not only addresses the harmful effects of bullying but also instills lifelong values of compassion and cooperation, helping students build stronger relationships based on mutual respect and understanding. Together, we strive to create a school community that embodies the principles of kindness and respect as taught in Islam.
