

How to View Your Child's Grades and Assignments in Educate

You can easily view your child's current grades and assignments in Educate by following these steps:

1. **Log in** to your Educate Parent Portal at <https://educate.tads.com/educate/household/default.cfm>.
2. In the top menu, click **School**.

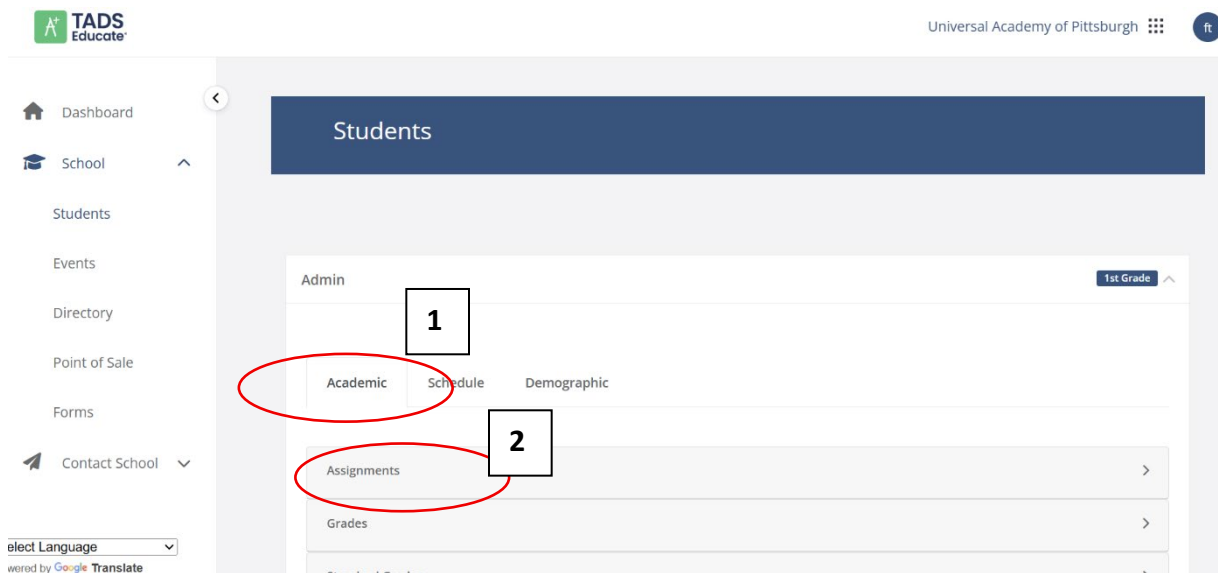

3. Select **Students** from the dropdown.

4. Click on your child's name.

5. In the left-hand menu, click **Academics**, then click **Assignments**

Here you can view all your child's assignments for each class.

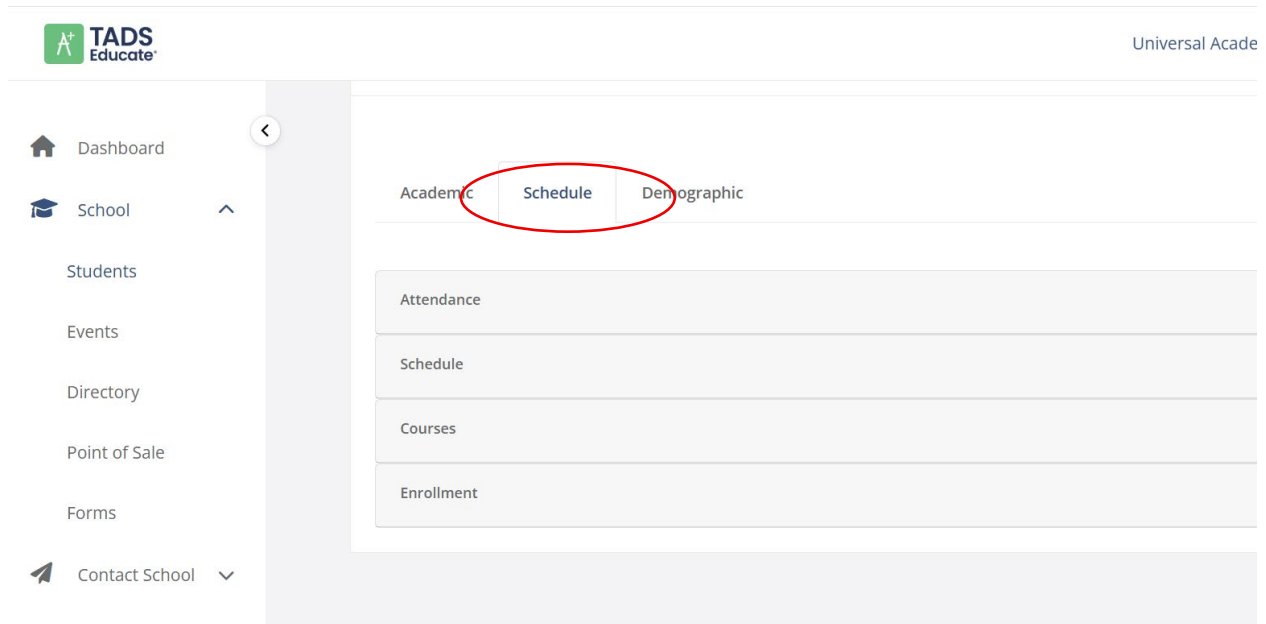

The screenshot shows the TADS Educate interface for Universal Academy of Pitts. The left sidebar contains navigation links: Dashboard, School, Students, Events, Directory, Point of Sale, Forms, and Contact School. The main content area has tabs for Academic, Schedule, and Demographic. The Assignments page is active, displaying a table of assignments. Above the table are filters for Quarter 1, Course Section, Code, Due Date, and All Assignments, along with a search bar. The table lists four assignments: Abstract Line Art, Color Wheel, Shape Monsters, and behavior and participation, all assigned to Art - 1st Grade and Islamic Studies - 1st Grade respectively, with due dates of 10/21/25 and scores of -- / 10 or -- / 20.

Name	Status	Course	Due Date	Code	Comments	Score	Gra
Abstract Line Art	Assigned	Art - 1st Grade	10/21/25			-- / 10	
Color Wheel	Assigned	Art - 1st Grade	10/21/25			-- / 10	
Shape Monsters	Assigned	Art - 1st Grade	10/21/25			-- / 10	
behavior and participation	Assigned	Islamic Studies - 1st Grade	10/21/25			-- / 20	

6. To see grades by subject, click **Grades** instead of Assignments

The screenshot shows the TADS Educate interface with the same sidebar and tabs as the previous image. In the main content area, the Grades page is selected, and the 'Grades' option is circled in red. Other options visible are Assignments, Standard Grades, and Report Cards.

7. To see attendance records, Click “Schedule” tab

If you have more than one student enrolled, repeat these steps for each child.
